

Local Government Transparency Pledge

If I am elected, I will immediately commit to press Whitemarsh Board of Supervisors to adopt the following policies:

1. Agendas for all public meetings and hearings will be published on the Whitemarsh website no less than three days prior to the meeting date, posted to at least one social media platform and distributed via email to those subscribing. Agendas can be amended and changes will be sent out via the "Notify me" program.
2. All agendas, meeting minutes and other documents will appear in search engine results.
3. All information to be reviewed or referred to at any Whitemarsh Township public meetings will be made available as an attachment to the posted agenda on the Township Website.
4. Items posted on agendas will be described in lay language in addition to any necessary legalese.
5. All videos of public meetings will be posted to YouTube.com or Vimeo.com or other formats for easier consumption (and allow embedding).
6. All regular Township business meetings of the elected officials and appointed Commissions, Boards, and Committees will at minimum be audio recorded and maintained on the Township Website.

7. Only Whitemarsh email accounts will be used for conducting official Township business. If an email is sent to the personal account of a Whitemarsh representative, the representative will respond by directing them to their official Whitemarsh email account.
8. No Township business, official or otherwise, will be conducted via text messaging.
9. If individual Whitemarsh Supervisors maintain a social media presence, the accounts will be clearly marked if they are speaking as a politician or elected official.
10. Supervisors will meet with the public individually in a "Town Hall" format alternating at least once every 5 months. The press is welcome to attend and participate.
